I / We understand that the said terms are subject to revision from time to time and I / We agree to keep ourselves updated of such changes and be bound by the terms as are in force from time to time.
- I / We agree, undertake and authorize ICICI Bank / its group companies to exchange, share or part with all the information, data or documents relating to my / our application to other ICICI group companies / banks / financial institutions / credit bureaus / agencies / statutory bodies / such other persons as ICICI Bank / its group companies may deem necessary or appropriate as may be required for use or processing of the said information / data by such person(s) / or furnishing of the processed information / data / products thereof to other Banks / Financial Institutions / credit providers / users registered with such persons and shall persons and shall not hold ICICI Bank Ltd. / its Group companies liable for use of this information
- I hereby consent to receive and authorize the Bank and its affiliates/ group companies to reach me/send any communication in relation to various products, offers and services provided by ICICI Bank /its group companies, through registered e-mail, phone, SMS.
- I / We are aware of charges applicable for banking services and I / we further authorize ICICI Bank to debit my / our account(s) towards any charges for the selected services.
- I/We declare that, I/we am/are duly empowered to avail of this API Service or terminate the same and at no point of time shall I/we challenge/question ICICI Bank for provision of this API Service or for doing any transactions thereunder on my/our request.
- I/We have read and understood the application form and terms and conditions for availing of this facility and hereby request and authorize ICICI Bank to register, onboard and enable our organization for the API services selected in this application form.
- For Penny Drop/Penny Less Services, I/we confirm that prior beneficiary consent will be obtained and records are maintained.
- We hereby undertake to indemnify and hold ICICI Bank harmless against any claims including third party claims, losses, damages, costs, charges, expenses or liabilities arising from non-compliance or breach of the terms herein any non-compliance/breach of applicable laws.

- The Aggregator and any of the merchants on-boarded by the Aggregator ("Merchants") for the use of the Collection Facilities (defined below) does not directly provide any services or has any dealings with any entity which has the below mentioned business profiles/does not deal with the following services: spa, escort services, friendship club, adult entertainment industry, network marketing, lottery, multi-level marketing, or money transfer business (like accepting money and transferring to other beneficiaries/deposit into banks etc.); cryptocurrency/virtual currency, virtual asset dealings; chitfund/nidhi company; fantasy games (except those which are purely subscription based and do not offer rewards, prize money, winning or any other consideration in cash/kind to the player); betting; dealing in marijuana; unregulated/unlicensed money service business or money & value transfer services like exchange houses, remittance agents, or individuals running such business, unlicensed financial institutions, foreign exchange services, unlicensed banking activity, loan apps not having relevant licenses; shell entities/firms, money mules, incorporated/registered or national of any jurisdiction included in the Financial Action Task Force "Black List".
- "Collection Facilities" refers to collection product (like eCollection, UPI collection API) that facilitates Aggregators to get the funds via Virtual Account Number (Identifier for payer or transaction) from Merchant through inward NEFT/RTGS/IMPS/FT/UPI in their account.
- Payments pursuant to the Collection Facility shall be directly settled into the Merchant accounts only. The Aggregator shall be responsible for KYC of the Merchants as per applicable laws and in accordance with the guidelines shared by ICICI Bank. The Aggregator shall on-board such Merchants and more and shall without any delay share the KYC details to ICICI Bank time to time, as and when required by ICICI Bank.
- The Aggregator would be responsible to retain the digital/physical KYC documents, as prescribed by ICICI Bank from time to time, in the event the Aggregator does not have a duly approved policy for conducting Merchant KYC, and as required under applicable laws. ICICI Bank would monitor the prescribed KYC process by auditing the Aggregators records on a periodic basis, analyzing a sample of the Merchants documents at sole cost of the Aggregator. ICICI Bank shall have the right to inspect and/or audit all records of Aggregator that relate to arrangement captured and transactions processed under pursuant to Collection Facility, at any time and for such purposes the Aggregator shall fully cooperate and support ICICI bank with requisite records/information requested during such audit/inspection.
- ICICI Bank shall provide the list of required onboarding documents as per its internal policies, which the Aggregator must collect and comply with.
- The Aggregator clearly understands that before extending the Collection Facility to the Merchant the Aggregator shall provide the complete list of Merchants to Bank in prescribed format and obtain the prior approval from ICICI Bank for each Merchant.
- The Aggregator shall ensure that in the event Merchant fails to fulfill any of the criteria mentioned herein and/or process prescribed by ICICI Bank herein, the Collection Facility shall not be made available to such Merchant by the Aggregator.
- The Aggregator understands that the Aggregator/Merchant shall be on-boarded by ICICI Bank in for provision of the Collection Facility through e-collection validation mode only. In the event an Aggregator/Merchant requires the e-collection Facility extended to it in non-validation mode, the Aggregator/Merchant may request for such mode however, granting such request shall be at the sole discretion of ICICI Bank. The Aggregator shall ensure that settlement of the collection amount will be done in the account of respective Merchant only on whose account amount is collected.
